Dear Fellow Rotarian:

This is the last of the series of Rotary letters of information. I do hope they have been helpful! As you can appreciate, only by bringing in new members to renew our organization can we hope to achieve our objectives.

It is everyone's obligation to propose a new member for Rotary. Someone has shared their membership with you and now it is time for you to look for those who are also Rotarian minded and bring them into Rotary. In order to do this you must become familiar with the proper procedure to take when proposing a new member.

From your secretary, obtain the folder, "How to Propose a New Member". Follow the steps closely and watch with pride when your proposed member becomes your President or achieves a higher office within Rotary.

Wear your pin every day with pride as a daily reminder of how happy you are to be Rotarian and share your membership with others, but remember you are only going to get out of Rotary, that what you put into it.

Yours, In the Spirit of Rotary
