Dear Fellow Rotarian:

## STRUCTURE OF ROTARY

The world headquarters of Rotary International, known as the Secretariat, is in Evanston, Illinois. All of the records are kept there and we receive supplies, publications and other materials pertinent to the operation of our club from there. From Evanston, regular contacts are kept with every district of Rotary in the world.

Our district, number 7630, which is located in Delaware and the Eastern Shore of Maryland. There is 43 clubs in our district and approximately 2,000 members.

Some of the activities that might interest you and are sponsored by our club and/or District or Rotary International are:

Club community service projects, (too many to list)

District Gift of Life Project, (bringing in small children from other countries with heart defects where surgical skill and technical know how are not available, making necessary repairs to their heart and sending them home,)

International exchange programs with many countries

Roteract clubs for people between the ages of 18 & 28 (We have two in our District)

Interact, for high school students

Supporting our Rotary Foundation by providing college bound students with opportunities to study abroad

Group Study Exchanges, young business professionals visiting and observing their counterparts in foreign countries, and they in turn visit here.

Feel free to ask questions about any of these activities, of me or any of your fellow club members.

Yours, in the Spirit of Rotary

Robert A. Sheehan Sr.
