Dear Fellow Rotarian:

I am hoping these letters are helping to explain the working detail of this organization of which you are very much a part. Your real knowledge of Rotary can come only through participation, observation and experience.

1. Ask your fellow Rotarians questions about their vocations or classifications.
2. Be prepared to explain unusual aspects of yours.
3. Become prepared to give a "Classification" talk.
4. Be on time for every meeting, come early to enjoy fellowship with our club.
5. DO NOT INSULT THE SPEAKER BY LEAVING EARLY OR TALKING DURING HIS OR HER SPEECH.
6. Visit other Rotary Clubs; It's fun and interesting.
7. Plan to attend the District Conference.
8. Attend the various assemblies to see who belongs to Rotary and learn more about District programs.

The Rotary International Convention is held each year in one of the great cities of the world. Every Rotarian should attend at least one. Look in your Rotarian magazine for the up coming International Conventions and plan to be there.

Yours, In the Spirit of Rotary
